

Games design

Games Development Level 3 Full-time

In Brief

Start Date / Duration

This course starts in September 2024 and will be completed in two years.

Entry Requirements

- Five GCSEs at grade 4 or above including GCSE English and maths
- A genuine enthusiasm for multimedia production and computer games

You will achieve

UAL Level 3 Extended Diploma in Games Design, Creative Media Production and Technology

Course Overview

The Games Design Extended Diploma Level 3 is an exciting and interesting technical course, ideal if you aspire to work in the games industry in the future. Games Development is a very fast-moving industry in which to work and you will therefore need to be up to date with the latest technology to give you the edge in this competitive environment.

Course Content

This study programme is for you if you like to play computer games and would like to learn how to design and develop them yourself. You will develop both 2D and 3D design skills developing games from concept, research and practical creation to testing.

You will enhance your design skills using packages like Adobe Illustrator, Maya, and Photoshop to design 2D and 3D concept art.

Using industry standard software like Unity and Unreal Engine you'll develop programming skills in C++ and C# to create 2D and 3D games.

You'll develop programming and design skills when designing gaming levels, characters, buildings and assets.

Course themes:

- Games design and development
- Conceptual art, visual/digital skills
- 2D/3D design, modelling and animation
- Level design
- 3D character and environment design
- Games audio
- Programming and coding
- Digital skills

How will I be assessed?

You will be assessed on a mixture of practical work and coursework.

What Equipment Will I Need?

All equipment will be provided.
