ESOL qualification, vocational qualification.

Course Overview

Are you a non-native English speaker? Would you like to improve your English and Maths skills?

This is the course for you!

As well as English and Maths, you will also be able to study different subjects in College. This will help you decide what you would like to do in the future.

Our ESOL course is flexible and fits your individual needs and abilities. It will provide you with the skills and confidence to take that next step, whatever you want to do. This could be another course in College, university or getting a job. It will also help make everyday living a lot easier and will introduce you to many other students who are also new to the UK.

English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't already have a grade C/4 or above in GCSE English and Maths they will automatically be included in your study programme. If you want to work towards higher grades in English and Maths we can help you do that too.

Need a higher level Maths qualification? We offer a [Level 3 Mathematical Studies \(Core Maths\)](#).

This can be added to your study programme.

If you need any further information, please contact our friendly [Information Team](#).
