Dear Angela,

On behalf of the National Centre for Diversity I would like to congratulate you, your staff and your stakeholders on the successful achievement of the Investors in Diversity standard at Stage 2 Full Review. We are pleased that you have been able to meet the requirements of the standard and trust that you will continue to be committed to the iD Journey. Your accreditation runs from October 2013 and remains valid for 24 months.

In moving forward, it is important now for your organisation to disseminate your good practice and approach with your stakeholders and partners whether suppliers or clients. There are clear marketing and publicity opportunities that will arise from this achievement.

The Investors in Diversity journey and achievement of the standard gives a positive message to all the stakeholders, internal and external, and each person should be congratulated for their input and success of the organisation.

Once again, congratulations on your success to date. We wish you and your organisation all the best in the future and look forward to working with you in the years to come.
