Higher
Education

Welcome

We are delighted you are considering Barnsley College Higher Education (HE) as the next step on the journey to your chosen career.

Everything we do here puts our students first. Our mission is to give you the skills and support you need to go on to achieve great things.

This guide outlines the HE courses we offer, these are university-level courses including degrees, HNC/Ds and Higher Level Apprenticeships.

Our undergraduate courses are structured to maximise your development and give you the knowledge you'll need to progress on to further study or get a job in the industry you choose. Many courses include work placements so you will gain real-life industry experience and have a CV to be proud of when you graduate.

You will be taught in excellent facilities by expert staff who are passionate about their subjects and you will enjoy a great level of contact with tutors throughout your course. Most of our HE courses are taught at our Church Street campus, but we also have campuses throughout the town centre for our Further Education students which HE students can make use of. See page 8 for a map.

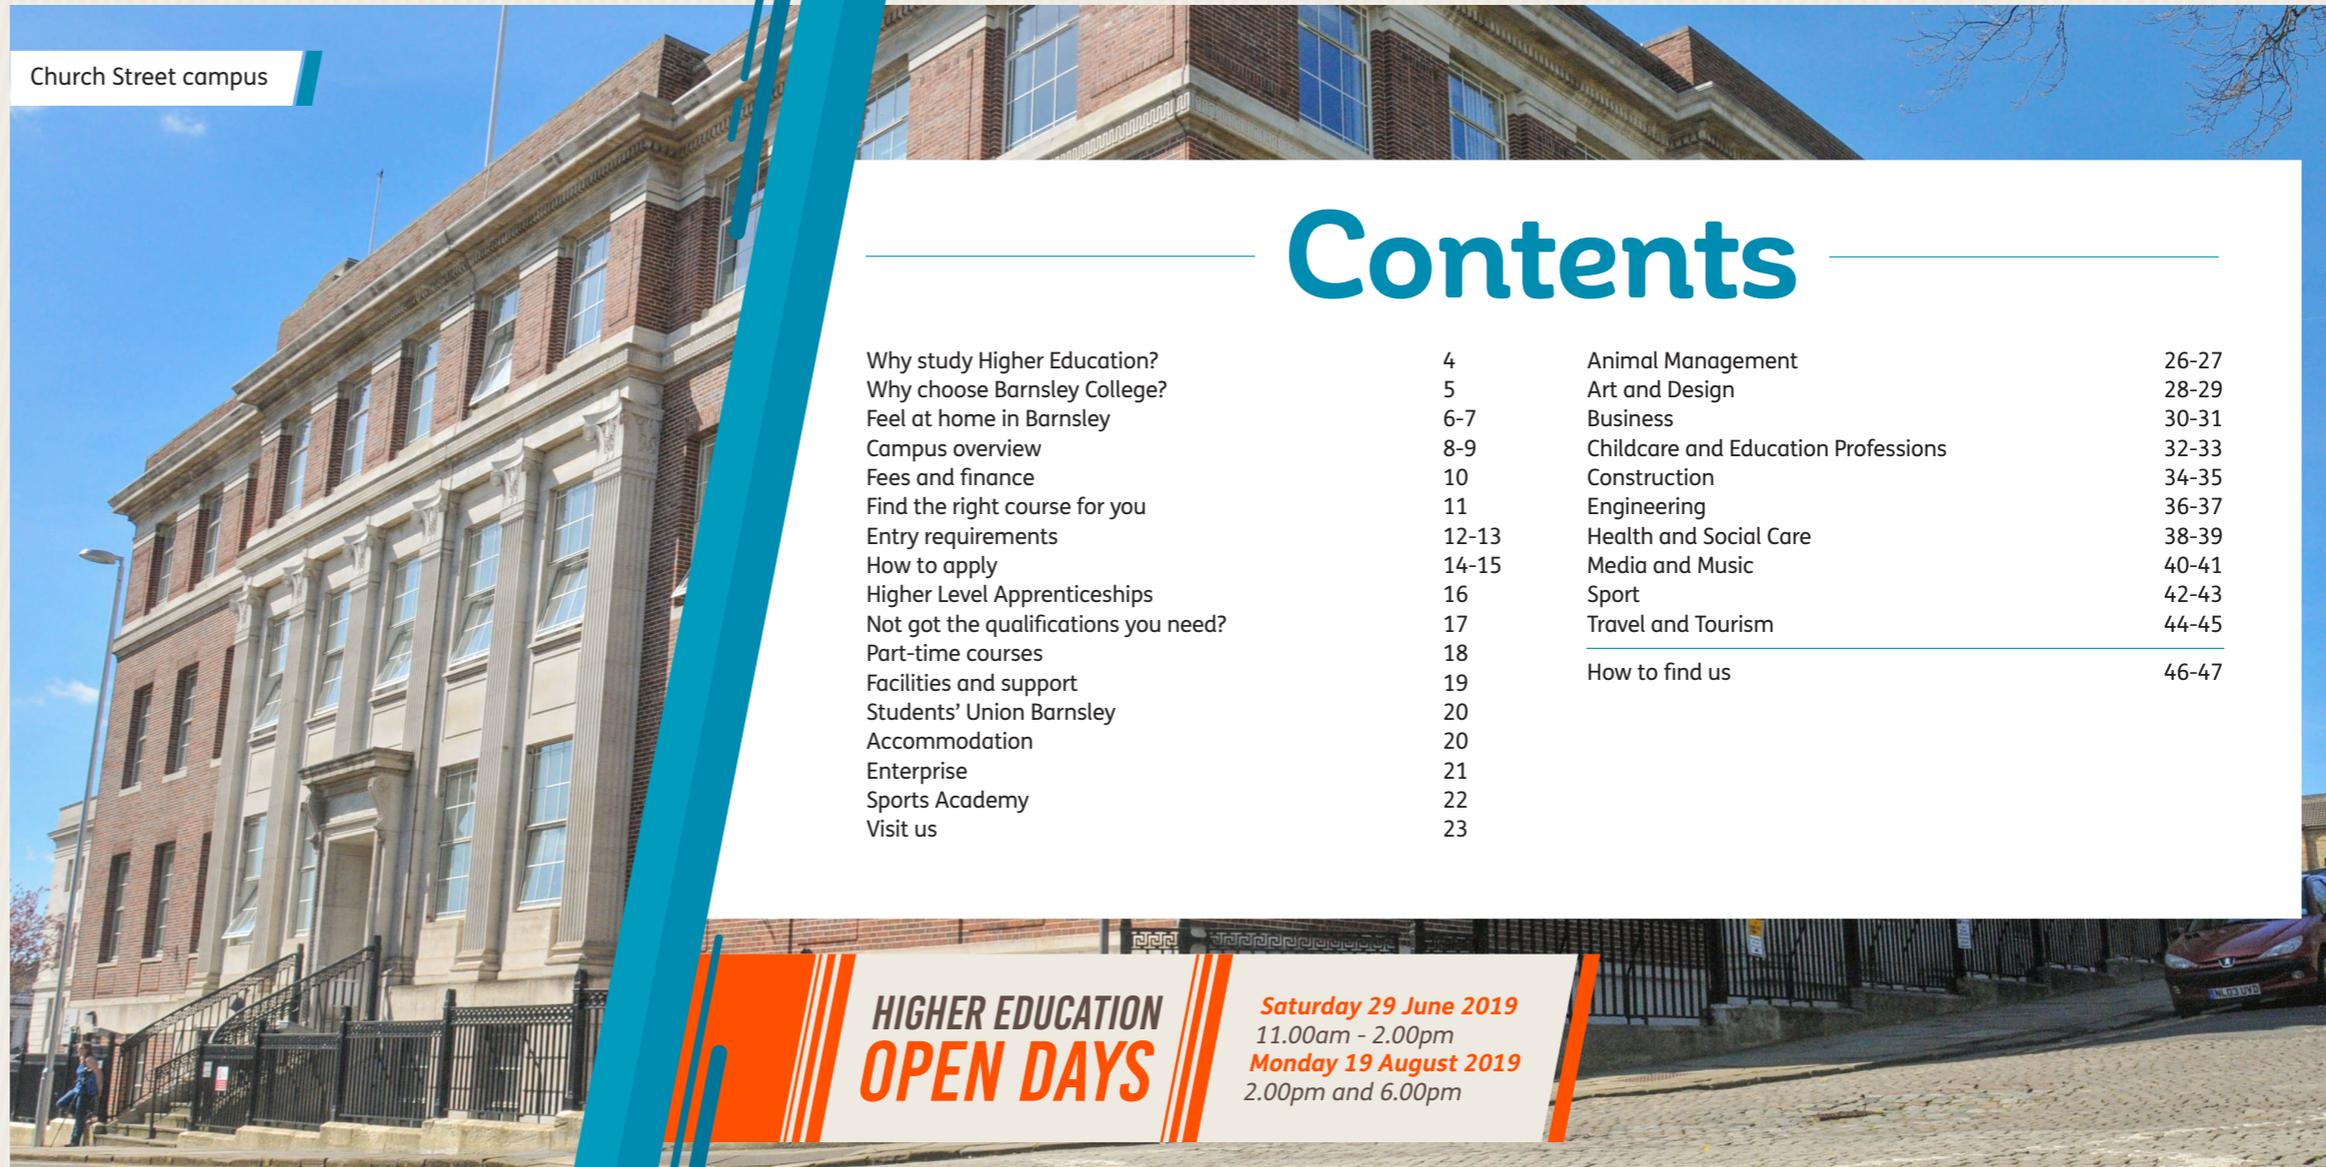

You'll be able to get in touch with tutors when you need to and won't be just another student in a group of hundreds. Many students say this personal touch is the reason they chose to study here rather than anywhere else.

Barnsley is a student friendly, vibrant town just a short distance from Sheffield and Leeds. It is close to both the M1 motorway and some of the UK's most spectacular countryside, so it's a great place to be while you study – whatever your interests are.

This guide covers everything you need to know about studying with us, from the courses we offer to the facilities we provide, plus guidance on how to apply and information on fees and finance.

Open days and drop-in sessions are a great way to find out more about HE at Barnsley College and we would encourage you to visit and find out all you need to know. You can meet the tutors, tour the campus and take a look around Barnsley town centre.

**HIGHER EDUCATION
OPEN DAYS**

Saturday 29 June 2019

11.00am - 2.00pm

Monday 19 August 2019

2.00pm and 6.00pm

Why study Higher Education?

Expand your career choices

Competition in the job market is fierce and a higher level course gives you the best possible chance in your career. Many employers look for graduates to fill vacancies and having a qualification under your belt can open more doors.

Increase earning potential

On average, graduates earn £10,000 a year more than non graduates.*

Learn about what you love

Explore your chosen course in detail and learn the specialist skills and knowledge related to your subject.

Develop key skills

Learn transferable skills such as time management, problem solving and communication. You will also use your initiative and learn to make your own decisions.

Become more independent

You will manage your own time, money and workloads.

Meet new people

Make new friends, join societies and clubs and have fun!

*Office for National Statistics (2017).

Why choose Barnsley College?

Excellent facilities

Music - access to mixing desks and recording studios.

Media - get to grips with a motion capture suit, HD and 4K cameras, Steadicam, professional green screen and computer labs with industry standard media software.

Art - access to workshops and studios dedicated to different disciplines.

Animal Management – students will be based at our working farm and visitor attraction.

Sport - make use of the great facilities at Honeywell Sports campus.

Engineering – access the Science, Technology, Engineering and Maths (STEM) Centre, containing specialist laboratories and workshops through practical sessions.

Learning environment

- Supportive and helpful.
- Depending on your subject you could be learning in different environments such as art studios or recording studios.
- Different types of assessments including essays, reports, presentations and work placements.
- More independent learning/self-study giving you the opportunity to find your own sources of information and analyse them for your assignments.

Our undergraduate courses

- Designed to maximise your development and provide you with the skills you will need to progress onto further study or start your career in your chosen industry.
- High academic standards.
- Expert academic staff.
- Professional experience through placements.
- Competitive course fees.

We work with some excellent academic partners. Our degree programmes are validated by the University of Hull, Leeds Trinity University and Sheffield Hallam University – great partnerships dedicated to delivering a quality experience to our students. Details of the validating partner are given on each course page.

Small and friendly HE campus

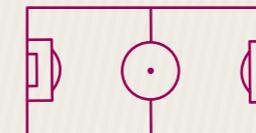

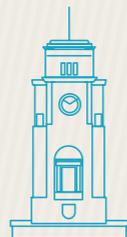

- Smaller class sizes.
- You can get in touch with tutors as and when required.
- No waiting around to use equipment.
- Support Services are all in one building making them easily accessible.

Barnsley

- Student friendly vibrant town with great nightlife.
- Located a short distance from Sheffield and Leeds.
- Easily accessible from the M1.
- Located close to some of the UK's most spectacular countryside.

Feel at home in Barnsley

Barnsley is a great place to live and study with lots going on. It's friendly, easy on the pocket and if you want to venture out of the town, you're on the doorstep of many other exciting places.

Barnsley has a vibrant arts and cultural scene with something for everyone. The town's theatres, The Academy Theatre, The Lamproom, the Electric Theatre and the Civic, show both amateur and professional performances throughout the year.

The Cooper Gallery displays work by local talent as well as renowned artists.

The Experience Barnsley museum and discovery centre brings the history of the town to life through photography, films and centuries-old artefacts.

The Yorkshire Sculpture Park is nearby and features work from a variety of artists in both indoor and outdoor settings.

Barnsley has a great music scene with lots of gigs taking place. If you love music festivals then you can visit Underneath the Stars and the award-winning Tramlines festival in nearby Sheffield.

There are many bars, pubs and restaurants to enjoy during your time here whether you fancy a quick snack from Subway, a pub meal at Wetherspoons or a slice of homemade cake in the Victorian Tea Rooms. You don't have to go far to get great food and drink either as our HE campus has its own café, Zest.

There are plenty of shops in Barnsley town centre from Topman to Boots and Primark to Next as well as a range of boutique shops and a new market hall, all within walking distance of Barnsley College.

Meadowhall, a large indoor shopping centre in Sheffield, is only a short distance away by train, bus or car.

Scheduled to open in the town centre in 2020, The Glass Works will provide a modern, contemporary retail and leisure destination, containing new shops, restaurants, a cinema and bowling alley whilst complementing the traditions of Barnsley's historic markets.

Barnsley offers a range of sporting activities. Honeywell Sports Village offers a gym and a range of exercise classes at competitive prices.

Barnsley Metrodome offers bowling, swimming and a gym. The venue also hosts a number of sporting events including darts, wrestling and snooker.

If you are a football fan then Barnsley FC's Oakwell stadium is less than a mile from the College.

Campus Overview

**HIGHER EDUCATION
OPEN DAYS**

Saturday 29 June 2019
11.00am - 2.00pm
Monday 19 August 2019
2.00pm and 6.00pm

Fees and finance

Our tuition fees are £5,995* per year for full-time courses. Part-time course fees are calculated on a course-by-course basis.

How does the fee system work?

Eligible students can apply for a Tuition Fee Loan from Student Finance England at the same time as applying for other maintenance support.

There are no up-front fees to pay and you will only start repaying your student loan once you have left College and are earning over £25,000 a year.

For more repayment information visit
www.studentloanrepayment.co.uk

Help with living costs

You may be eligible for financial support with living costs through a Maintenance Loan. The amount that students receive depends on their total annual household income.

Disabled Students' Allowances (DSAs)

If you're a student with a learning difficulty, health problem or disability then you can apply for DSAs to cover some of the extra costs you may have because of a mental health problem, long term illness or any other disability. You can get the allowances on top of your other student finance and you will not need to repay a DSA.

If you're a part-time student your course intensity, how long your course takes to complete each year compared to an equivalent full-time course, can affect how much you get.

Help for parents

The Childcare Grant and Parents' Learning Allowance can help parents to balance the cost of childcare and study. Students with an adult who depends on them financially may also be eligible for Adult Dependants' Grant.

For more information on any aspect of student finance, call Student Finance England on ☎ **0300 100 0607** or go to www.gov.uk/student-finance

Remember

- You may be able to borrow money to help pay for university or college tuition fees and to help with living costs. You might get extra money on top of this, for example if you're on a low income, are disabled or have children.
- Students don't pay – graduates pay. You only begin to pay back your loan once you start working and earn more than £25,000 per year.
- On average English resident graduates earn £10,000 more a year than non-graduates.**

For up-to-date information go to:
www.gov.uk/student-finance

**HIGHER EDUCATION
OPEN DAYS**

Saturday 29 June 2019
11.00am - 2.00pm
Monday 19 August 2019
2.00pm and 6.00pm

*Based on 2019 entry **Office for National Statistics

Find the right course for you

Deciding which course to choose can be daunting but we have a wide range so there is sure to be something to suit you. We offer the following:

Undergraduate degrees

These are Bachelor of Arts with Honours (BA Hons) or Bachelor of Science with Honours (BSc Hons). Which one you graduate with depends on the course you choose.

Foundation degrees, Higher National Certificates (HNCs) and Higher National Diplomas (HNDs)

You can usually do a final year top-up after successfully completing a foundation degree or a HND to be awarded with a degree.

Higher Level Apprenticeships

Higher Level Apprenticeships offer an alternative to full-time study. You combine work with study to gain skills, knowledge and work experience which provides the opportunity to improve your career prospects. Please go to page 16 for further information.

For more information on any of our courses visit
www.barnsley.ac.uk/highereducation
call ☎ **01226 216 165** or email ✉ info@barnsley.ac.uk

Entry requirements

Each of our courses has its own entry requirements which you can find on our website www.barnsley.ac.uk/highereducation. Make sure you check these carefully as some have specific subject or grade requirements.

We consider every application individually so if you don't meet the requirements please do get in touch with us as it may be that you have work or voluntary experience or other qualifications that can be accepted instead.

We welcome students of all ages; it's never too late to learn. For advice on entry requirements, call us on **01226 216 165**.

UCAS Tariff

We use the Universities and Colleges Admissions Service (UCAS) Tariff system for our entry requirements. You can find the number of UCAS points required for our courses at www.barnsley.ac.uk/highereducation

UCAS points are most commonly gained through A Levels or BTEC/Level 3 qualifications and the Tariff tables for these can be seen on the following page.

To see UCAS Tariff tables for other qualifications, go to www.ucas.com or call us on **01226 216 165**.

How to apply

Full-time applicants

Once you have applied to study HE at Barnsley College you will be invited to an informal interview where you will have the opportunity to take a campus tour as well as chat to our tutors to find out more information about your course.

We will communicate with you regularly throughout the whole application process, from interview to offer and enrolment.

If your current school or college is registered with UCAS just ask your tutor or careers advisor for help. If you're not in the UK you can apply online through UCAS independently.

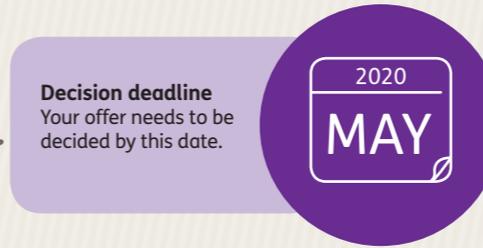

The Barnsley College institution code is **B13**. You will need this when completing your application.

The UCAS website provides full instructions on the application process www.ucas.com

Part-time applications and Higher Level Apprenticeships

To apply for these courses, go to www.barnsley.ac.uk/highereducation or contact our Admissions team on **01226 216 165**

For more information on all our courses and the UCAS course codes, which you will need when applying, please go to www.barnsley.ac.uk/highereducation or call **01226 216 165**

Don't worry if you miss the 15 January UCAS deadline, we usually still have places available on most courses after this date but please apply as soon as possible.

Higher Level Apprenticeships

Higher Level Apprenticeships offer an alternative to full-time study. You combine work with study to gain skills, knowledge and work experience which provides the opportunity to improve your career prospects.

You can study a Higher Level Apprenticeship at Levels 4 and 5. You will study part-time at college or university and spend the rest of the time at your workplace.

We offer Higher Level Apprenticeships in:

- Business Administration
- Construction Management
- Dental Practice Manager
- Healthcare Assistant Practitioner
- Health and Social Care Leadership and Management
- Healthcare Science Associate
- Management and Leadership
- Manufacturing Engineering
- Nursing Associate
- Operations/Departmental Manager
- Professional Accounting Taxation Technician
- Retail Manager
- Software Developer
- Supply Chain Management

Key benefits of a Higher Level Apprenticeship:

- Earn a salary.
- Receive training.
- Get practical work experience.
- Learn job/industry related skills.
- Develop your career.
- Increase future earning potential.

To find out more call ☎ 01226 216 165 or 🌐 www.barnsley.ac.uk/highereducation

Not got the qualifications you need?

- Art and Design
- Business
- Childcare
- Computing
- Creative Digital Media (subject to validation)
- Criminal Justice and Policing
- Event and Tourism Management
- Health Science Professions
- Humanities and Social Science
- Popular Music (subject to validation)
- Sport

For more information on Access to Higher Education (HE) Diplomas contact:

☎ 01226 216 123 or
✉ info@barnsley.ac.uk

Part-time courses

Barnsley College also offers part-time higher level courses which are perfect for anyone wanting to fit in studying around their current employment or family commitments.

You will learn the key principles and skills in the subject that you have chosen to study, therefore increasing your employability potential.

Whether you are looking for a change in career, want to enhance your career prospects or want to feel more confident in your current job role then studying one of the subjects below could be the perfect option.

- Accounting
- Business
- Construction
- Education and Training
- Engineering
- Management
- Sport
- Travel and Tourism

For more information on any of these subjects please contact:
🌐 www.barnsley.ac.uk/part-time
☎ 01226 216 123
✉ info@barnsley.ac.uk

Facilities and Support

To make your time with us the best it can be we have a range of facilities and support services to assist you in your studies.

Library and Computing Centre

Our fully equipped Library and Computing Centre houses thousands of books and journals. You will find books, computers with specialist software and quiet study areas to help you get the most out of your subject.

Study support

Our study skills team can help you with research, time-management, revision techniques, referencing and assignment writing skills. You can drop-in for a one-off session or make an advance booking.

For more information contact
✉ studyskills@barnsley.ac.uk or call in and see the team at the Library and Computing Centre.

Student Services

Whether you need advice about student finance, accommodation, or careers information, advice and

guidance, our Student Services team can help. We also offer referrals to health and wellbeing services within Barnsley College. Friendly staff are here to help you with all aspects of campus life and you can see an advisor in a one-to-one appointment or attend a drop-in session.

Disability and Dyslexia Service

We offer a range of support and flexible study strategies to any student who has a disability, a specific learning difficulty such as dyslexia or dyspraxia, or a chronic health condition, including any mental health issues such as depression or anxiety.

The service includes assistance with individual Disabled Students' Allowance (DSA) applications and access to a confidential one-to-one discussion with the advisor as a means of tailoring support to match exactly how you work.

For more information please contact us on:
☎ 01226 216 782
✉ info@barnsley.ac.uk

Students' Union Barnsley

The Students' Union (SU) is here to represent, support and advise you on all aspects of campus life, ensuring you have the best possible experience during your time at Barnsley College.

When you enrol you will automatically become a member of the SU which is led by a group of students - the Students' Union Committee - who are elected by you and supported by our Students' Union staff.

The SU Committee works in partnership with Barnsley College to represent student views through our Student Voice system, organise fundraising events and awareness campaigns.

See more at:

[f /BarnsleySU](#) [t @Barnsley_SU](#)
[i studentsunionbarnsley](#)

Accommodation

There is a variety of accommodation available in and around the town centre, from terraced houses to apartments, so it won't be hard to find a place to live.

StudentPad:

StudentPad is an online platform where landlords advertise their student accommodation.

www.barnsleystudentpad.co.uk/accommodation

You can also register to receive details of new properties as they become available.

Whilst we endeavour to provide students with information regarding accommodation in Barnsley, the College has no contractual or other relationship with

private accommodation providers. You should read contracts carefully and, if necessary, take independent legal advice before entering into any agreement.

Enterprise

The award winning Enterprise department has a number of innovative programmes, initiatives and projects on offer for students to get involved in which include:

Enterprise skills development and industry days

These sessions include involvement from industry experts and employers providing you with practical and current know-how for increasing your chances of gaining employment whilst studying or after your course. They also encourage you to think about the skills you have, how you can develop them and how you can gain new skills.

BCEF Opportunities Fund – sponsored by ASOS

This funding pot can be accessed by students who wish to carry out exceptional work experience or employability experiences. Previous students have undertaken work experience placements in other countries, including Canada and Australia.

iTrust

An exciting joint venture with the local newspaper, The Barnsley Chronicle, and The Business Village at Barnsley Incubation Centre to support individuals in setting up businesses. iTrust offers grant funding and access to information and guidance, as well as local industry mentors. This year, we have support from online clothing retailer ASOS, which is part-funding some of the grants and providing mentor support. So far, iTrust has had a number of successful start-up businesses in the creative, media and service sectors including photographers, accessory designers and media specialists.

For more information on how the Enterprise Department could help you build skills and realise your potential, contact us on:
[01226 216 840](tel:01226216840) or enterprise@barnsley.ac.uk

Sports Academy

If you are a talented athlete with the passion to develop your skills, then Barnsley College Sports Academy could be the ideal destination.

The state-of-the-art sports facilities at Honeywell Sports campus include a 3G pitch, multi-use games area, indoor sports arenas, two gyms and a fitness studio.

Sports Performance Academies include Football, Rugby, Netball, Basketball, Refereeing and an Individual Athlete Academy.

For more information on Barnsley Sports Academy visit:
www.barnsley.ac.uk/bsa

Visit us

Join us at one of our Open Days to explore the campus, meet the tutors and get more information on the courses you are interested in studying.

You can find out about student finance, fees, accommodation and student life. While you're here you can take a walk into the town centre and see the array of bars, restaurants and shops that Barnsley has to offer.

Our Open Days are on:

- Saturday 29 June 2019, 11.00am - 2.00pm
- Monday 19 August 2019, 2.00pm and 6.00pm

To attend any of our Open Days, please register at
www.barnsley.ac.uk/highereducation

Drop-in sessions

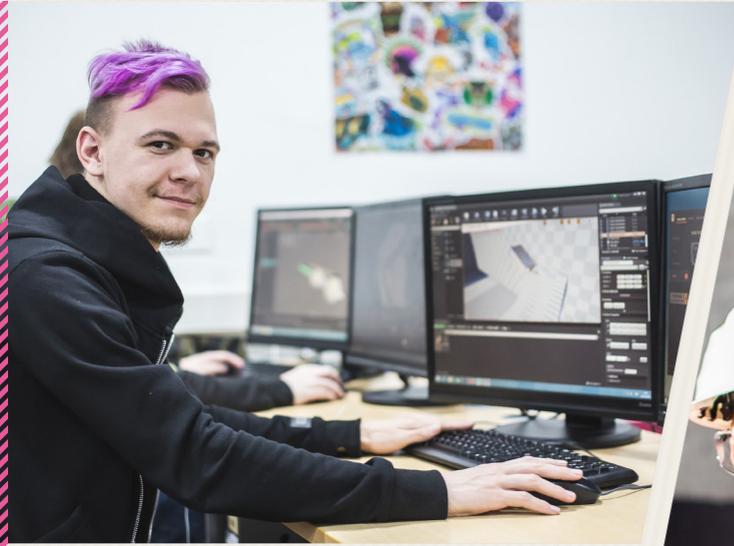

If you can't make it to an Open Day, we offer drop-in visits for anyone who would like to take a look around the campus, meet the tutors and find out more about the courses we offer.

It's really easy to arrange, just call ☎ **01226 216 829** with the date and time that you'd like to come and let us know what subject/s you are interested in.

We'll offer you an alternative if we can't accommodate you on your preferred date.

For information on how to find us, please turn to page 46.

Our Courses

**HIGHER EDUCATION
OPEN DAYS**

Saturday 29 June 2019
11.00am - 2.00pm
Monday 19 August 2019
2.00pm and 6.00pm

For more detailed information about our courses, visit
www.barnsley.ac.uk/highereducation or call 01226 216 165.

Animal Management

We aim to develop your understanding of the animal management industry and will provide you with opportunities to observe, practice and develop the skills of an animal management practitioner.

You will gain a more in-depth understanding of animals and their environment and cover topics such as Anatomy and Physiology, Animal Behaviour, Health and Welfare, Animal Husbandry, Aquatic Ecology, Genetics, Biological Principles, Research Project.

You could progress onto careers such as:

- Zoo Keeper
- Animal Welfare Officer
- Kennels/Cattery Manager
- Animal Technician

Jake Midgley
Animal Management

"I progressed on to the foundation degree having completed my Level 1, 2 and 3 qualifications here at Wigfield Farm. I love being based on a working farm and everything that it brings including meeting new people and working with a wide range of animals. I completed my work experience here and enjoyed it so much that I continued volunteering one day a week. This has allowed me to gain a job at an animal collection, whilst continuing my studies."

Farming and environmental issues in Britain will continue to remain high on the agenda - with a strong demand for skilled graduates.**

Art and Design

Art and Design encompasses a host of creative subjects, taught in fully equipped studios and workshops. Our programmes are practice based with theoretical modules to create a diverse, engaging and independent higher education experience that changes each day.

From ceramic workshops and Mac labs to virtual reality, Barnsley College offers quality facilities purpose-built for you to complete and broaden your studies. Creative and critical thinking are encouraged by our team of artists and experienced lecturing staff who push you to unlock and develop conceptual, creative and practical skills.

Students embarking on Art and Design programmes take advantage of a range of local and national exhibitions and are invited to participate in annual residential visits. These are implemented to develop your knowledge and cultural understanding whilst allowing you to draw inspiration and ideas to pollinate your developing practice.

Our aim is to provide you with the best start on the career ladder, preparing you for a job in your chosen creative industry and ensuring you finish an undergraduate programme with an overflowing portfolio of work that you are proud to hand out to prospective employers, gallery owners or funding bodies.

You could progress onto careers such as:

- Junior Graphic Designer
- Advertising Art Director
- Web Designer
- Teacher
- Photographer
- Ceramicist
- Printmaker

**Simon
Rose**

**Fine Art
Practice
BA (Hons)**

"I started an art course at university, but found I wasn't able to create the work I wanted to. I transferred here and I am able to work on what I choose within many different art disciplines."

"I would recommend studying at Barnsley College as it has a very friendly atmosphere and the teaching staff are always there to help and are extremely knowledgeable."

Undergraduate courses offered:

- Fine Art Practice BA (Hons)*
- Fine Art Practice BA (Hons) Top-up*

*An award of the University of Hull

Construction

Construction is a modern, highly efficient industry which requires professionals at all levels in diverse areas of expertise. Demand for graduates with specialist skills and knowledge relating to construction is high and is likely to remain so in the foreseeable future.

Our construction courses can be studied on a full-time or part-time basis or as a Higher Level Apprenticeship. They will help you to develop knowledge and skills in areas such as building measurement, cost studies, environmental science, project management, construction materials and specifications as well as sustainability and modern methods of construction.

You could progress onto careers such as:

- Architect
- Project Manager
- Building Services Engineer
- Construction Manager
- Quantity Surveyor

Paul Luty

Construction and the Built Environment

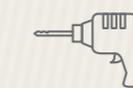

"I work full-time and have fitted this course in around my full-time job."

"Having been out of education for the last 10 years, I decided to study this course as I wanted to improve my career prospects. I was nervous at first about going back into education but the relaxed learning environment and the smaller campus made it very easy for me to fit in."

Undergraduate courses offered:

- Construction and the Built Environment HNC*
- Construction Management Higher Level Apprenticeship

The construction industry is now showing strong growth and the sector is expanding locally with £1.4 billion of new infrastructure projects planned for South Yorkshire.**

Engineering

Our engineering courses are designed to build theory and practical skills, providing you with an insight into the fundamentals of the industry to prepare you for a successful career. Our course covers subjects such as engineering design, electrical and electronic principles, instrumentation and control systems engineering.

You could also become part of the Engineering Society where you will get the chance to chat to likeminded students who have a passion for engineering and work on electrical and mechanical projects such as building robotic arms.

You will spend some of your time at our Science, Technology, Engineering and Maths (STEM) Centre which houses excellent custom built engineering and electrical workshops and laboratory facilities.

You could progress onto careers such as:

- Mechanical/Electrical Engineer
- Systems Engineer
- Plant Engineer
- Mechatronics Engineer
- Design/Development Engineer

Undergraduate
courses offered:
• Engineering HNC/D*

Lukasz
Kaminski

Engineering

"There is a friendly family atmosphere here. You learn the same knowledge as you do at a big university but you are closer to home."

*Many jobs in manufacturing and engineering are in demand due to the ageing workforce. There are skills shortages in most engineering and technology work areas.***

HIGHER EDUCATION OPEN DAYS

Saturday 29 June 2019
11.00am - 2.00pm
Monday 19 August 2019
2.00pm and 6.00pm

Health and Social Care

By studying with us you will combine health and social care education with either existing employment or work placements to develop your skills and competencies for a wide range of roles across health, social or community care sectors.

For those who are not in employment, you will be provided with a placement in a suitable health, social or community care role, which will allow you to develop the necessary skills and competencies alongside your academic studies to complete your course.

Future job roles following the completion of the course could be:

- Clinical Support Worker
- Family Support Worker
- Social Care Manager
- Rehabilitation Assistant

You could also progress onto careers such as:

- Adult Nursing
- Paramedic Practice
- Physiotherapy
- Social Work

On successfully completing your Foundation Degree, you could study a BSc (Hons) in Health and Social Care Studies (Top-up), taught at the validating university.

Nicola
Dixon

Health and
Social Care

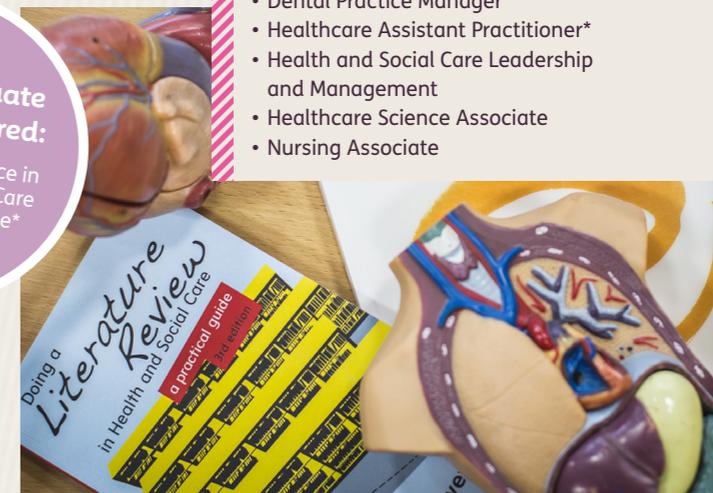

"I enjoy learning new information and stepping close to my goal of a career in adult nursing. The location is great for me and I can fit my study around being a mum and my work responsibilities."

Undergraduate courses offered:

- Professional Practice in Health and Social Care Foundation Degree*

We also offer Higher Apprenticeships:

- Dental Practice Manager
- Healthcare Assistant Practitioner*
- Health and Social Care Leadership and Management
- Healthcare Science Associate
- Nursing Associate

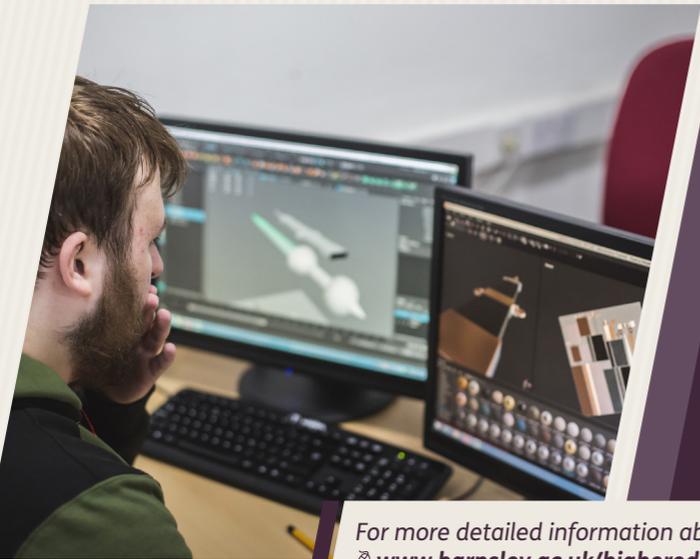

Health and Social Care is one of the main employment sectors in South Yorkshire, accounting for 16% of employment.**

Media and Music

Whether your dream job lies in the music, film, media or theatre industries, Barnsley College has the staff, facilities and equipment to enable you to succeed.

Our computer labs are a creative student's dream, offering high specification machines running the latest industry standard software. We have a large film studio with near 360 degree green screen and access to professional 4K cameras, dolly and a dedicated Foley studio. Musicians will be pleased to hear we have four well-equipped practice rooms and two large performance areas. For recording musicians we have four professional standard recording studios and a Mac suite equipped with industry standard software such as Pro Tools, Logic and Ableton Live.

Not only will you experience the highest quality facilities and equipment throughout your time at Barnsley College, but your teaching staff are second to none, with years of industry experience they are on hand to offer support and guidance throughout your degree and beyond.

You could progress onto careers such as:

- Music Producer
- 2D or 3D Artist
- Live Sound Engineer
- Stage Manager

Jonathan Bradbury
Popular Music

"I'm so glad to be here, it's a brilliant foundation for me. The tutors, the company, the ease of accessibility to everything and the opportunities you get should not be underestimated. Plus the free rehearsal space is great!"

The Creative and Digital sector is growing at a faster rate than anywhere in the UK. Employment in this sector has increased by over 50% in the last decade.**

- Games Design Foundation Degree*
- Popular Music (Performance and Production routes) BA (Hons)*

HIGHER EDUCATION OPEN DAYS

Saturday 29 June 2019
11.00am - 2.00pm
Monday 19 August 2019
2.00pm and 6.00pm

Sport

If you have a real passion for health, coaching, physical activity or sports development and are looking to turn this commitment into a career we have the course for you. Our timetable is structured in a way that is student-focused allowing time to gain work experience, paid employment and to complete higher level study.

Our sport courses will help you to develop knowledge and skills in areas such as healthy environments, psychology of physical activity, fundamentals of teaching and coaching, community sports development and youth sport and health.

You could also become part of the Barnsley Sports Academy where we are committed to supporting elite athletes and combining sporting and academic excellence. You will spend some of your time at our Honeywell Sports campus where facilities include a 3G pitch, a multi-use games area, indoor sports arenas, two gyms and a fitness studio.

You could progress onto careers such as:

- Teacher in Primary, Secondary or FE/HE Education
- Lifestyle and Health Advisor or Personal Trainer
- Community coaching and sports development

Undergraduate courses offered:

- Coaching, Physical Education and Sport Development Foundation Degree*
- Physical Activity, Health and Exercise Foundation Degree*
- Physical Activity, Health and Exercise BSc (Hons) Top-up*
- Sport, Physical Education and Health BA (Hons) Top-up*

Within the South Yorkshire region the area of sport, leisure and tourism is classed as a growth sector.**

Validated by  Leeds Trinity
University

We also offer a Higher Apprenticeship route. Please see our website for further details.

Travel and Tourism Management (Events)

The world of travel and tourism is a dynamic and challenging industry to work in and offers a wide variety of employment opportunities at both supervisory and managerial level in sectors associated with transport, tour operations, events and visitor attractions.

Our course will help you to develop knowledge and skills in areas such as managing the customer experience, tour operations, and conference and events.

You could progress onto careers such as:

- Aviation and cabin crew
- Event management
- Marketing and promotions
- Tour operations
- Travel and hospitality management

Marsela Loulai

Travel and Tourism Management (Events)

"The tutors are very supportive and particularly understanding of the needs of non-UK students. I would highly recommend the course, there is a great support network, the staff are experienced and I can really relate to them."
