

The Learning Curve's Children's Corner

Here at the Learning Curve we cater for children of all ages, so we've put together a recommended reading list of books for children to read during lockdown.

All of these books were staff favourites when they were younger or they're currently reading them to their own children. So sit down, relax and let your child's imagination grow!

Asterix the Gaul by Rene Goscinny
Charlie and the Chocolate Factory by Roald Dahl
Ernest Owl Starts a School by Jane Pilgrim
Famous Five by Enid Blyton
Funnybones by Allan Ahlberg
Granny's Wonderful Chair by Frances Browne
