### The LRC goes to the movies - The Sequel

If you're anything like me, you've probably been watching a LOT of TV and films lately (when you've not been working really hard that is...) How did everyone get on with the [last list of films](#)? As we're still in lockdown and we've hit the summer holidays, you might be looking for some more inspiration on what to watch next. Never fear! Our resident film expert has us covered with his [latest movie list](#). This list includes some great titles including The Terminal starring Tom Hanks, The Last Stand starring Arnold Schwarzenegger and Adult Life Skills starring Jodie Whittaker. So what are you waiting for? Go snuggle up with some popcorn!

### Kiddie Corner

Those eagle-eyed among you may have spotted our new [Kiddie Corner](#) on the Library Lockdown Page. We created this page especially for those of you stuck at home with younger siblings or children of your own... although, even if you don't fall into this category, you're very welcome to come and explore what there is to offer! You'll find [film lists](#), [book lists](#), arts and craft ideas and instructions, as well as some fun activity suggestions to help keep the younger people in your life entertained during this tricky period. And if you really want a giggle, you can watch the four clips of some of your library staff reading a few of their favourite children books... We will try and keep this page regularly updated, so keep popping back!

### Don't forget...

The summer holidays can feel like a long time to go without visiting your favourite library (hard to believe, but it'll actually be shorter than lockdown has been so far!) but if you are returning to College next year and want to make a start on your dissertation or catch up on the latest library gossip, don't forget the plethora of resources we have for you online!

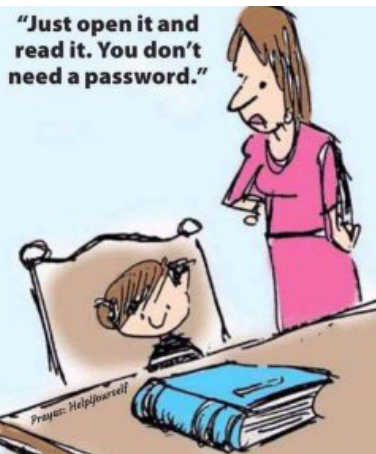

We are of course always here to help.
