

Rationale

Barnsley College will only subcontract provision in the following circumstances:

- Where the provision is in a vocational area that the College does not offer.
- Where the provision is aimed at engaging hard to reach or NEET learners.
- As a result of a collaborative bid where Barnsley College has been named as the lead provider.
- Establishing Strategic Partnerships enabling growth opportunities.

The College will not subcontract provision outside of the Sheffield City Region unless requested to do so under the terms of a national contract.

All sub-contractors undertake a due diligence process that allows Barnsley College to review policies and procedures, delivery, quality and performance before entering into any contract arrangement. Barnsley College will ensure contracts are legally compliant against Public Contract Regulation 2015.

Barnsley College will only award contracts for delivering funded provision to legal entities. If the legal entity is a registered company, it must be recorded as 'Active' on the Companies House database.

The College will not award a contract to a legal entity if:

- It has an above average risk warning from a credit agency.
- It has passed a resolution (or the court has made an order) to wind up or liquidate the company, or administrators have been appointed. or
- Its statutory accounts are overdue.
- Has an Ofsted grade of inadequate.
- Does not appear on UKRLP.
