

## POST RESULT SERVICES FOR GCSE RESITS – NOVEMBER 2020

Post results include enquiries about results (marking reviews) and access to scripts.

These services are available following the issue of results. There are deadlines for requesting them and it can take between three to six weeks to receive an outcome. There is a cost to students which is payable before services are applied for.

### SERVICES INCLUDE:

#### CLERICAL CHECK - £8.00 PER PAPER, APPLY BEFORE FEBRUARY 18TH

To make sure all pages and marks have been included and counted. Outcome in 10 calendar days.

#### REVIEW OF MARKING - £37.55 PER PAPER, APPLY BEFORE FEBRUARY 18TH

This is a review of the original marking to ensure that the agreed mark scheme has been applied correctly. *Reviewers will not re-mark the script.* Following a review of marking, there are three possible outcomes:

- Original mark goes up
- Original mark goes down
- Original mark stays the same

Outcome comes back within 20 calendar days.

#### ACCESS TO SCRIPTS - £14.35 PER PAPER, APPLY BEFORE JANUARY 28TH

*Priority* – A copy of the marked exam paper is provided to help you to decide if you want the marking reviewed. This comes back within 7 calendar days of the application.

*Copies of scripts to support teaching and learning* – The original marked exam paper (script) is returned and you can see how marks were allocated. **The original script should not be requested back if you are considering a clerical check or a re-view of marking**, because once the script has been returned, it cannot be checked or reviewed as its security has been compromised.

#### COPIES OF A CHECKED OR RE-VIEWED SCRIPT - £14.35 PER PAPER

You can ask for a copy of the checked or re-viewed script when you request a marking review. A copy will be sent when the review is completed.
