Annual Equality and Diversity Report
2019-20

'Our glorious diversity...is not a threat to who we are. It makes us who we are'

Michelle Obama

INTRODUCTION

Barnsley College is a vibrant and dynamic place that seeks to meet its statutory duties in a creative and forthright manner. The college creates an environment of respect and understanding, where everyone is an individual with a unique set of needs and skills.

This report seeks to provide assurance that equality and diversity at Barnsley College in 2019/20 has been a priority, permeating everything that we do, improving the lives of both our students and our staff and not just existing in the liminal world of good intentions.

OUR PUBLIC SECTOR DUTIES

The *Equality Act (2010)* is one of the most important pieces of UK legislation in that it seeks not just to limit behaviours (Eliminate) but also to drive positive change (Advance, Foster.) It does this through the conferment of a statutory duty to:

- Eliminate unlawful discrimination
- Advance equality of opportunity
- Foster good relations

The scope of the legal framework places the following 'Protected Characteristics' at the forefront of our duty of care:

- Age
- Gender
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sexual orientation
- Disability

LEADERSHIP AND MANAGEMENT

The College's strong commitment to equality and diversity starts with the Senior Leadership Team, a member of which chairs the Equality & Diversity Strategy Group.

The Equality and Diversity Strategy Group monitors the progress of the Single Equality Scheme and the associated action plan:

- The link governor for equality and diversity completes a link visit with key staff twice a year to ensure the college is meeting its statutory duties. A report is then presented to the Board of Governors.

- The Senior Management Team leads the setting and monitoring of college targets in relation to equality and diversity.
- Equality and Diversity is monitored in performance reviews for each department.
- The Vice Principal Curriculum ensures that governors are trained in equality and diversity matters and are fully up to date with all relevant legislation.
- All policyholders are required to conduct an Equality Impact Assessment (EIA) on all policies to ensure that no group is disproportionately affected by college policy.

GOVERNANCE

The governing body has a duty to ensure that the college is compliant with its statutory duties and that appropriate, effective and meaningful policies and procedures are in place. It carries out this duty through:

- Scrutiny of data on an annual basis.
- Receiving the Equality & Diversity Annual Report.
- Ensuring that a Link Governor conducts regular monitoring visits and reports back to the Board.

Equality and diversity information that is provided by candidates is not available to shortlisting managers and can only be viewed by Human Resources (HR). At shortlisting stage, names of candidates are removed to prevent any possibility of discrimination or bias.

The college has retained its 'Disability Two Ticks' status which is reviewed every year. This includes a commitment to interview any disabled candidate who meets the minimum essential criteria. This is monitored by HR and shortlisting managers are advised accordingly.

Candidates invited to interview are asked if any adjustments are required to support and enable them to attend. Medical information is not requested until an offer of employment has been made.

All new staff must complete an online equality and diversity training module before they commence employment. Staff must also attend the induction programme where there is a dedicated mandatory equality and diversity session, delivered by our Advanced Practitioner for E&D
