BUILD CONFIDENCE WITH NUMBERS WITH OUR FREE ONLINE MULTIPLY COURSES

Independent Training Services Ltd. (ITS), part of Barnsley College, has launched a range of free, government-funded online courses to help adults improve their numeracy skills.

Numeracy skills are essential in all aspects of life. They unlock job opportunities, help you to remain in control of your finances or prepare you for further study.

Eligibility

The government-funded training programme, called Multiply, is available to anyone aged 19 and over who doesn't currently hold a Maths GCSE at grade C/4 or above. Students will be able access free courses through Multiply to build confidence with numbers and gain a qualification.

Why study online?

- > It's easy to access.
- > It's auto-assessed and auto-marked.
- > The units are bite-size so you can use them to fit around your needs.
- > Auto-generated e-certificate upon completion.
