Our eResources can be easily accessed via the **Library Services tile on MyDay** and the Library and HE **Library websites**, but it can sometimes seem difficult to navigate to the actual database...

Any eResource link on the above pages may take you to this page. Select **login** again.

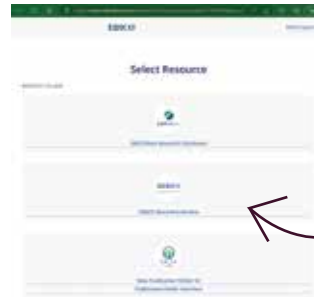

On the sign in page, select **Access through your institution**.

Start typing **Barnsley College** in the search bar and press enter.

Barnsley College should appear as an option.

A selection of resources will appear. Select **EBSCO Discovery Service**.

You can use Discovery to search for online journals and articles the Library subscribes to, as well as the Heritage Catalogue. To search, enter a **keyword** and press enter.

Any results will appear in a list.

You can adjust your search results using the options on the left of the screen.

Use the links provided in the result description to access the resource.
