

ESPORTS ACADEMY

Calling all gamers!

Hone your skills and join Barnsley College's thriving Esports academy Barnsley Griffins. The programme offers talented students aged 16 - 19 the chance to access outstanding academic and Esports education in one unique package.

Fixtures will take place on Overwatch 2, Rocket League, League of Legends, Valorant and Williams F1 racing league. The Griffins compete across a range of titles in the British Esports Association Championships, giving you the chance to train with the best and test your mettle on a national stage.

Our Academy players have access to top class facilities in the Barnsley Sports Academy, supporting players to perform at elite level. State-of-the art facilities include:

- > Esports Arenas
- > HADO AR technology
- > F1 rig
- > Shout casting
- > Fitness studio
- > Two gyms
- > Structured training schedule
- > Match analysis

THE ELITE SPORTS PERFORMER BURSARY

The Barnsley College Sports Academy is committed to supporting elite athletes, combining sporting and academic excellence, and has a number of sports bursaries to award to our elite athletes who meet specific criteria.
