

Business and Management

Management: Operations or Departmental Manager Level 5 Apprenticeship

In Brief

Start Date / Duration

You can start an apprenticeship at any time. This programme will take around 30 months to complete.

Entry Requirements

- The entry requirements for this apprenticeship will be decided by each employer, but may typically be five GCSEs at grade 4/C or higher
- It is desirable that you have English and maths at grade C or above but this is not essential as functional skills are delivered as part of the apprenticeship programme
- You will need to find an employer to employ you as an apprentice. Please see our [Apprenticeship vacancies](#)

You will achieve

Level 5
Operations/Departmental
Manager Apprenticeship
Standard.

Course Overview

An operations/departmental manager is someone who manages teams and/or projects, and achieving operational or departmental goals and objectives, as part of the delivery of the organisations strategy. They are accountable to a more senior manager or business owner. Working in the private, public or third sector and in all sizes of organisation, specific responsibilities and job titles will vary, but the knowledge, skills and behaviours needed will be the same. Key responsibilities may include creating and delivering operational plans, managing projects, leading and managing teams, managing change, financial and resource management, talent management, coaching and mentoring. Roles may include: Operations Manager, Regional Manager, Divisional Manager, Department Manager and specialist managers.

Click here [<https://www.instituteforapprenticeships.org/apprenticeship-standards/operations-departmental-manager/>] for further information regarding the Standard Apprenticeship.

English and maths

English and maths qualifications are a requirement for most jobs and it is important that you are able to demonstrate your ability in these areas. If you do not already have a grade C or above in GCSE English and maths you will automatically undertake further study in these subjects as part of your apprenticeship.

How will I be assessed?

You will be assessed through on programme assessment of knowledge, skills and behaviour outcomes on-route to final synoptic end point assessment, consisting of:

- Assessment of knowledge through a test using scenarios, questions and responses
- Assessment of competency through a structured competency based interview
- Assessment of portfolio of evidence
- Presentation on work based project with question and answer session
- Continuous Professional Development Log reviewed and a professional discussion

What Equipment Will I Need?

You will be required to provide paper, writing materials, and a memory stick.

Where will I study?

You will study within the workplace and attend classes if required at Barnsley College's Old Mill Lane Campus, Church Street, Barnsley, S70 2AX

What can I do next?

Upon completion you could progress onto the Level 6 Degree Apprenticeship. You can also register as full members with the Chartered Management Institute (CMI) and/or the Institute of Leadership and Management, and those with 3 years' of management experience can apply for Chartered Manager status through CMI.

How much does the course cost?

There is no cost to being an apprentice. All costs associated with your apprenticeship, including the cost of training and your salary, will be paid by your employer.

Financial support

You may be eligible for assistance with expenses such as travel, books, equipment and childcare. For further information please contact the Student Services Team on +44 (0)1226 216 114.

Our Additional Learning Support team can provide you with the support you need. Please contact them on +44 (0)1226 216 769.

English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't already have a grade C/4 or above in GCSE English and Maths they will automatically be included in your study programme. If you want to work towards higher grades in English and Maths we can help you do that too.

Need a higher level Maths qualification? We offer a [Level 3 Mathematical Studies \(Core Maths\)](#).

This can be added to your study programme.

If you need any further information, please contact our friendly [Information Team](#).
