

Engineering

Engineering Operative Level 2 Apprenticeship

In Brief

Start Date / Duration

This apprenticeship programme can be started at any time. The duration for this apprenticeship is typically 12-18 months.

Entry Requirements

Individual employers will set the selection criteria for their Apprenticeships.

You will achieve

Engineering Operative Level 2 Apprenticeship standard.

Course Overview

Engineering Operatives are predominantly involved in engineering operations which are key to the success of the Manufacturing and Engineering sector allowing employers to grow their business while developing a work force with the relevant skills and knowledge to enhance the sector.

The role covers a wide range of common and job specific skills sets that can be transferred across the manufacturing engineering industry sectors during the course of their careers. Dependent on the sector that they are employed in there may be subtle differences in terms of composition and application of the job role specific skills and knowledge they will require, however the core skills and knowledge will be the same regardless of the sector/area they work in.

Examples of the occupational roles from across the engineering and manufacturing sector that would be covered within this standard are: Servicing and maintenance operative; Machine setter/operative; Mechanical engineering operative; Fabricator; Engineering fitter; Multi-disciplined

engineering operative; Materials, processing and finishing operative, Technical Support operative, founding/casting operative.

For more information regarding the standard Apprenticeship, please click here.

How will I be assessed?

You will be assessed by your assessor using a portfolio of evidence, practical demonstrations and assignments. You will be assessed both in College and in your place of work.

What Equipment Will I Need?

You will be required to provide paper, writing materials, A4 ring binder file, extra wide dividers and clear plastic wallets.

Where will I study?

You will study within the workplace and attend classes at Barnsley College's STEM Centre.

What can I do next?

Students can progress onto a suitable level 3 apprenticeship

How much does the course cost?

There is no cost to being an apprentice. All costs associated with your apprenticeship, including the cost of training and your salary, will be paid by your employer.

Financial support

You may be eligible for assistance with expenses such as travel, books, equipment and childcare. For further information please contact the Student Services Team on +44 (0)1226 216 267.
