tbc

Course Overview

This course is the ideal starting point for anyone interested in started a career in accountancy or finance. The course will help you to develop a strong foundation of the knowledge and skills required to work in the profession or to go on to study higher level bookkeeping or accounting qualifications.

Course Content

You will study the following modules:

- Bookkeeping transactions and controls
- Working effectively in finance

You will also study a Level 2 Foundation Award in Computerised Accounting qualification. Ambitious students will have the opportunity to further develop their math skills by undertaking a Core Math qualification alongside the main study programme. This will be discussed on an individual basis.

Want to join Barnsley Sports Academy and the Sports Village?

Barnsley College has a range of sports opportunities for all students to take part in, gain professional training and compete nationally and internationally. We also have a state-of-the-art fitness village, Honeywell Sports Village [<https://www.barnsley.ac.uk/shops-services/honeywell-sports-village/>] where students can make use of our fitness suite, spinning studio and classes for competitive rates. You don't have to be studying sport to get involved in the Sports Academy [<https://www.barnsley.ac.uk/our-departments/sport/sports-academy/>] .

Additional Learning Support

Our Additional Learning Support team can provide you with the support you need. Please contact them on +44 (0)1226 216 769.

English and Maths

Having good English and Maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't already have a grade C/4 or above in GCSE English and Maths they will automatically be included in your study programme. If you want to work towards higher grades in English and Maths we can help you do that too.

Need a higher level Maths qualification? We offer a [Level 3 Mathematical Studies \(Core Maths\)](#).

This can be added to your study programme.

If you need any further information, please contact our friendly [Information Team](#).
