Barnsley College

Computing, Digital and IT

Programming Digital Development Level 2 Award Part-time

In Brief

Start Date / Duration

This course is starting in January 2025 - days and times TBC. Classes are for 3 hours a week for 12 weeks.

Entry Requirements

There is no requirement for you to have achieved any qualifications or units prior to undertaking this qualification, however a reasonable standard of computing skills will be required.

You will achieve

Level 2 Award in Digital Development (Gateway Qualification)

Course Overview

The qualification offers an introduction to programming and coding in Python alongside a range of digital skills and other skills valued in the workplace.

Course Content

You will produce a portfolio of small programming projects, one of which will be as part of a team, hosting those projects on a Git-based code sharing platform.

You will develop your knowledge and understanding of the core areas of Digital Development and gain an introduction to the skills required in the Digital Development sector.

You will complete two Python programming modules and use digital tools to contribute to team projects.

How will I be assessed?

You will be assessed using a range of methods such as practical tasks and written coursework within a portfolio of evidence. This portfolio will be used to determine your grade.

What Equipment Will I Need?

All equipment will be provided.

Where will I study?

SciTech Digital Innovation Centre
Falcon Street
Barnsley
S70 2EY

What can I do next?

Upon completion, you could study the Level 3 Award in Software Development.

How much does the course cost?

This course costs £225. This course may be FREE to study depending on your circumstances – please see the drop-down option below for more details.
