

Media and Photography

Photography Intermediate (Outdoors) Part-time

In Brief

Start Date / Duration

This course starts on Tuesday 6 June 2023. The course runs over four weeks and you will study on Tuesdays between 6.00pm and 8.30pm.

Entry Requirements

You will need to have either completed our beginners' course in Photography or have an above average knowledge of photography and computer literacy. Please view our beginners' course if you feel you want an introduction to photography.

Please note: You must be 16 years or older to study this course.

You will achieve

A Barnsley College certificate of completion.

Course Overview

You have learnt the basics and know your way around a camera, you feel confident enough taking photos and gaining the look you set out for and now you're ready to explore more photography areas in depth...

We can help you explore several new areas of photography and teach you how to apply your skills to learn new techniques and styles. Working through several small projects we will push your skills to develop as you find a style you are comfortable with.

Both photography and editing will take place as you explore the theories behind the compositional make up of an image and how to create focus and draw in new detail to photos post editing.

Course Content

During this four-week block of 2.5 hour sessions, you will work in the studio, the classroom and around Barnsley covering the following areas of the photography industry. This course will feature learning outside the usual classroom environment, weather permitting:

- Product/commercial

- Food/catering
- Travel
- Street/urban
- Studio and studio set-up

The course will cover the overlapping skills and techniques used in the above environments and allow you to further enhance your photography knowledge through practical activities and hands-on learning.

How will I be assessed?

You will be assessed using a range of methods and present your work in an online portfolio. This portfolio will be used to assess your progress on the course.

What Equipment Will I Need?

All equipment will be provided.

Where will I study?

SciTech Centre
Falcon Street
Barnsley
S70 2EY

What can I do next?

You can use the skills gained to take photographs and could explore further study in photography.

How much does the course cost?

£100, full fee payable.

Extra information

Full Fee Payable

If the course is listed as full fee payable, you will have to pay for the course.
