## Automotive Refrigerant Handling Level 3 IMI Award Part-time

### In Brief

#### Start Date / Duration

This course can be studied throughout the year. It will take three days to complete. Please apply for more information.

#### Entry Requirements

You will need experience of working in the automotive industry.

#### You will achieve

You will achieve a Level 3 IMI Award in Automotive Refrigerant Handling (EC842-2006).

### Course Overview

This Defra-approved qualification offers a single unit solution to your Automotive Refrigerant Handling training needs. It provides experienced automotive Mobile Air Conditioning (MAC) Technicians with evidence that they meet the minimum F-Gas requirement (EC842/2006 and annex EC307/2008).

### Course Content

All Mobile Air Conditioning (MAC) Technicians working with cars and car derived vans must have achieved, as a minimum requirement, a refrigerant handling qualification which fulfils the European Union F-Gas Regulation (EC842/2006) and Annex to Regulation (EC307/2008). Completion of this course will mean you meet that requirement.

### How will I be assessed?

You will complete a practical assessment and an external online test set by IMI. The assessment ensures rigour and quality by measuring your underpinning knowledge, including knowledge of the F Gas regulations.

Successful candidates will be issued with a certificate which shows they are compliant and meet the requirements to continue practicing their trade.

### What Equipment Will I Need?

You will need:

- Overalls and steel toe cap safety footwear
- Highlighter pens
- A basic geometry set
- A scientific calculator
