

Construction

Construction: Multi-Trade Level 1 Part Time

In Brief

Start Date / Duration

This course can be started throughout the year and will run over 30 weeks. You will be required to attend two evenings (Tuesday and Wednesday) per week. Classes will start at 6pm and finish at 9pm. Places are available for an immediate start.

Entry Requirements

No formal qualifications are required. A keen interest in DIY and construction and a willingness to learn new skills would be advantageous. Maths will be developed carrying out measurements and working out the volume of materials needed. Health and Safety is embedded in to every activity.

You will achieve

City & Guilds 6219 Certificate in Multi Trade L1.

Course Overview

This course is aimed at adults who would like to enter the construction industry or are looking to carry out home maintenance and DIY to industry standards. Participants will study Plastering, Brickwork, and Joinery for 6 weeks at a time before moving on to the next trade. All students will study Health & Safety as part of the course.

This course will help you develop your practical skills in a workshop setting. At the end of the course learners will have been taught by industry specialists and be able to do basic brickwork, prepare backgrounds for plaster, and carryout surface finishes with both options. Learner will also learn basic joinery repairs and be able to select correct tools and materials for a range of domestic repairs.
