

Engineering

Motor Vehicle: Vehicle Fitting Level 2 Full-time

In Brief

Start Date

This one year study programme starts in September

Entry Requirements

Transport Maintenance Level 1

You will achieve

Level 2 Certificate/Diploma in Vehicle Fitting.

Course Overview

If you love cars and enjoy fixing things, this could be a great career for you. Motor vehicle technicians repair and service cars, vans, motorbikes, lorries and coaches. They work on all vehicle mechanics and electrics, from engines and exhaust systems to air-conditioning and security. If you love to be around cars, becoming a motor vehicle technician is a dream job. Motor vehicle technicians repair and tune engines to maximum running efficiency, install parts and accessories, and repair dented body panels.

Course Content

You will work in real, practical situations to enable you to develop the skills and experience necessary to perform fitting operations on a modern motor car safely and efficiently.

You will study the following units:

Developing self and working safely with others in which you will learn how to:

- Contribute to good housekeeping in a motor vehicle environment
- Establish, maintain and strengthen working relationships
- Apply safe working practices
- Comply with statutory regulations
- Identify and follow accident and emergency procedures

Remove and refit chassis components which you will learn how to:

- Remove and refit braking, suspension, steering and exhaust components

- Remove and refit wheels and tyres and dispose of waste material
- Identify components and understand their operation
- Prepare and use workshop equipment required to remove and replace components
- Follow instructions for using hand tools to remove and replace components
- Remove and replace components and dispose of waste material

You can view the awarding body specifications [here](http://awarding.theimi.org.uk/Qualifications/L2-Diploma-in-Vehicle-Fitting-Principles)
[<http://awarding.theimi.org.uk/Qualifications/L2-Diploma-in-Vehicle-Fitting-Principles>]

How will I be assessed?

Each unit is assessed by means of practical assessment and multiple choice online exams.

What Equipment Will I Need?

You will require writing and drawing materials. You will also need suitable footwear and clothing for workshop activities.

Where will I study?

Science, Technology, Engineering and Maths (STEM) Centre
Old Mill Lane
Barnsley
S70 2LA

What can I do next?

On completion of this programme learners that show good progress and achievement can be considered for entry on to the Motor Vehicle Modern Apprenticeship programmes offered by local companies in partnership with Barnsley College. Alternatively you may want to continue onto Vehicle Maintenance and Repair Level 2 [<https://www.barnsley.ac.uk/course/motor-vehicle-vehicle-maintenance-level-2-full-time/>]

How much does the course cost?

16 – 18 year olds

Full-time Barnsley College students aged 16-18 years old do not have to pay tuition fees.

19+ Students

Aged 19 or over and thinking about further education? You may be eligible for free or reduced course fees . Please refer to our page '[paying for your course.](#)'

Financial support

You may be eligible for assistance with expenses such as travel, books, equipment and childcare. For further information please contact the Student Services Team on +44 (0)1226 216 114.

Extra information

Contact the Information Unit

For further information please contact our friendly Information Team on +44 (0)1226 216 123 or email info@barnsley.ac.uk [mailto:info@barnsley.ac.uk]

Want to join Barnsley Sports Academy and the Sports Village?

Barnsley College has a range of sports opportunities for all students to take part in, gain professional training and compete nationally and internationally. We also have a state-of-the-art fitness village, Honeywell Sports Village [<https://www.barnsley.ac.uk/shops-services/honeywell-sports-village/>] where students can make use of our fitness suite, spinning studio and classes for competitive rates. You don't have to be studying sport to get involved in the Sports Academy [<https://www.barnsley.ac.uk/our-departments/sport/sports-academy/>].

Additional Learning Support

Our Additional Learning Support team can provide you with the support you need. Please contact them on +44 (0)1226 216 769.

English and Maths

Having good English and maths qualifications are important for most careers and we want to give you the help you need to succeed.

If you are aged 16 – 19 and don't already have a grade C/4 or above in GCSE English and maths they will automatically be included in your study programme. If you want to work towards higher grades in English and maths we can help you do that too.

Need a higher level maths qualification? We offer a [Level 3 Mathematical Studies \(Core Maths\)](https://www.barnsley.ac.uk/course/core-maths-level-3-part-time/). [<https://www.barnsley.ac.uk/course/core-maths-level-3-part-time/>]

This can be added to your study programme

If you need any further information, please contact the [Info Team](#).
