- You will be required to demonstrate your musical skills at interview

You will achieve

UAL Level 3
Diploma/Extended Diploma in Music Performance

Course Overview

This exciting course develops your understanding of the broad subject of music, whilst also preparing you for university-level study. You will explore music performance, composition, music theory and harmony, live sound, the music industry, improvisation and music technology. You will take part in a number of public performances. This is a 2 year course, after which you will achieve an Extended Diploma in Music Level 3. This is awarded by UAL and is the equivalent of three A levels.

Course Content

You will study all areas of music including music performance techniques and session styles plus improving your listening skills and sound recording techniques. You will look at music theory, the music freelance world plus modern and pop music in practice. There are many opportunities for public performances, playing large and small venues, representing the College at national competitions. Other units will include areas such as:

- Live performance
- Music Industry
- Events and promotion

- Composing music
- Music theory and harmony
- Studio recording
- Music sequencing

How will I be assessed?

You will be assessed on your practical work and coursework.

What Equipment Will I Need?
