Course Overview

This level 2 qualification in team leading is designed for aspiring team leaders who wish to develop their team leading skills and knowledge.

Course Content

You will produce a portfolio of evidence to demonstrate your competence in working in a team leading role.

Three mandatory units cover the core skills you need to lead a team. You'll learn how to plan, allocate and monitor work; tools and techniques to develop yourself as a leader; and how to get the most from your team. Then work with your employer and training provider to find the best fit from a wide range of optional units. These cover everything from communication skills to business improvement techniques. The choice includes units from Level 3 qualifications, to help you progress in your career and in formal professional training.

How will I be assessed?

Continuous assessment of evidence produced.

What Equipment Will I Need?

Access to Internet and PC

Where will I study?

You will study online.

What can I do next?
