

Business and Management

Management Level 5 Work-based

In Brief

Start Date

This course has various start dates throughout the year and runs for two years.

Entry Requirements

- You will normally be a practicing senior manager
- Whilst there are no formal educational requirements, you should have a background that will enable them to benefit from the programme
- Successful interview

You will achieve

Level 5 NVQ Diploma in Management

Course Overview

The course is for you, if you are a middle manager covering a variety of subject areas related to management.

Course Content

You will study a variety of subject areas related to management for example:

- Develop and evaluate operational plans
- Provide leadership and direction
- Plan change
- Work productively with colleagues and stakeholders

Learners take four mandatory units in this qualification. Two build skills in strategy – strategic planning and strategic change – the third unit looks at developing and evaluating business processes. And the fourth unit develops further core skills in leadership and management. Learners can then work with their employer and training provider to find the best-fit from the other units offered in the qualification
