Functional Skills English qualification.

Course Overview

The qualification is available from Entry 1 to Level 2. It contains a range of units which develop maths and English skills needed in work and life.

These programmes are flexible. If you want to improve your reading, writing and numeracy skills, or want to gain a qualification for the skills you already have, a Skills for Life qualification could be for you. Functional Skills qualifications are designed to help you develop the skills you use in everyday life, such as reading and writing. They can also help you boost your CV or move on to further study.

Functional skills classes run throughout the year. You will need an assessment to determine the level you start at.

For Learners who study at Level 1 and 2, Barnsley College offers you the opportunity to choose between a mixture of classroom based and online attendance, or completely online study. This

can be discussed at your initial assessment. You will be advised of the assessment process on application.
