

English and Maths (inc. ESOL)

Maths Functional Skills Part-time

In Brief

Start Date / Duration

The course starts w/c 6 September 2021. Enrolment will take place in August. Class attendance will be one class for 1.5 hours per week and one online class for 1.5 hours per week. You will be required to attend College for an initial assessment, mock and final examinations.

Entry Requirements

- Students must be aged 19+ years of age. Learners aged 16-18 will do maths and English as part of their full-time study programme
- No formal entry requirements or previous experience is necessary to undertake these programmes
- Before you start, you will undergo an initial and diagnostic assessment to identify which particular skills you need to work on and the relevant units from this suite

You will achieve

Functional Skills Maths qualification.

Course Overview

The qualification is available from Entry 1 to Level 2. It contains a range of units which develop Maths and English skills needed in work and life.

These programmes are flexible. If you want to improve your reading, writing and numeracy skills, or want to gain a qualification for the skills you already have, a Skills for Life qualification could be for you. Functional Skills qualifications are designed to help you develop the skills you use in everyday life.

Functional skills classes run continually throughout the year. You will need an assessment to determine the level you start at and you will be advised of the details on application.

Course Content

Functional Skills qualifications in Mathematics assess three interrelated process skills:

- Representing: selecting the mathematics and information to model a situation
- Analysing: processing and using mathematics
- Interpreting: interpreting and communicating the results of the analysis

How will I be assessed?

You will sit an examination at the end of the course.

What Equipment Will I Need?

You will require writing materials and a ring binder.

Where will I study?

Old Mill Lane campus
Church Street
Barnsley
S70 2AX

What can I do next?

On completion of these programmes, you may wish to progress to other College programmes in either this area or another area of study.

How much does the course cost?

This course is fully funded to anyone who meets the following eligibility criteria.

Eligibility criteria as follows:

- Candidates must be aged 19 or over
- If you live in one of the areas listed below, this course will be free
