Lessons

Theory lessons

Most of your lessons in Travel and Tourism will be theory-based.
In these lessons you will develop the skills needed for the industry: for example, your interpersonal, customer services and sales skills, as well as your knowledge of Geography.

You will be assessed throughout the course through assignments including presentations, group activities and role plays.

Study visits

Travel and Tourism organise study visits throughout the year giving you the opportunity to visit a range of UK and international organisations including visitor attractions, travel agents, cities and hotels.

Previous day visits have included The Deep, Doncaster Airport, Langsett Experience Barnsley, Weston Park Museum, Flamingoland, Alton Towers and Xscape.

There will also be opportunities to visit some European cities and countries such as Amsterdam, Paris, Poland, Rome and Iceland. These exciting visits are designed to help you with your course and you will be expected to contribute towards the cost of the visits.

Do I need to do English and Maths?

If you have a grade 4 or above in GCSE English and Maths, you will not have to do them at College.

If you have a GCSE in English and Maths below a grade 4, you will need to attend two GCSE Maths and/or two GCSE English lessons each week. These will be on your timetable.

If you have an Education, Health and Care Plan (EHCP) it may be possible to be exempt from English and Maths. You can speak to your tutor or ALS department about this.

Before you start College

The Learner Support Fund for students aged 16-18 and 19+

You can apply online at:
learnersupportfund.barnsley.ac.uk
Contact the Student Services Team by emailing:
studentsupport@barnsley.ac.uk

Step 1 - Search
Search for a course in the vocational course guide, online at **www.barnsley.ac.uk** or via your school's application system.

Step 2 - Apply
You can apply for the course of your choice via the College website or your school's application system. If you have an Education, Health and Care Plan (EHCP) tick the box on the application form stating you have an EHCP.

Step 3 - Assessment
The ALS team will invite you for an initial assessment to discuss your support needs before you start College – ALS will refer you to Learning for Living and Work at this point, if appropriate. This is before your course interview if you have an EHCP.

Step 4 - College interview
You are invited to an interview with a tutor from your chosen subject(s). Interviews usually take place on Wednesday afternoons between 3.30pm and 4.30pm. We work closely with schools and they are aware of our interview process so there should be no problem in taking time out of classes. The interview is nothing to worry about; it's very informal and is a great chance for you to ask any questions you might have about your choice of subjects.

Step 5 - College place
After the interview, you will either be offered a place on your study programme or referred to a more appropriate one.

Step 6 - Subject taster
You may be invited into College to take part in a taster session in the subject you have chosen.

Support

If you have an Education, Health and Care Plan, Additional Learning Support (ALS) will put support in place to help you during your lessons.

Both the support workers and your tutors will know your needs and will work with you to achieve your goals. Our support will be tailored to you and will be discussed during your initial assessment. If you do not have an EHCP, or if you are on an apprenticeship, your support will be provided by the Travel and Tourism team instead of ALS.

How do I get support?

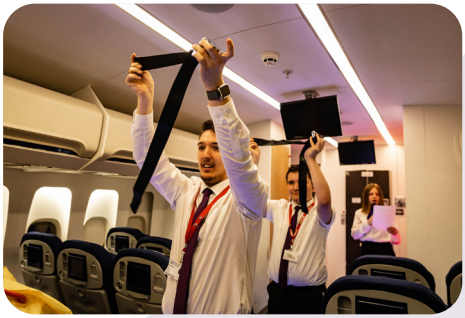

When you apply online at **www.barnsley.ac.uk/apply** you will be asked if you have a learning disability/difficulties. If you have, your information will be sent to ALS.

When you declare a learning need ALS will contact you to organise an initial assessment.

The initial assessment is where you meet one of the ALS Co-ordinators, who will discuss your learning needs and how to best support you while in College.

After the initial assessment, a plan highlighting the support that will be provided will be produced for you.

This support plan will be passed onto the Travel and Tourism department and we will also send a copy to you at home.

What to expect during your
